

DUST

Going coming
coming going
dust in the desert wind

Dwelling together with us
but only to see during the sunshine
little atom of dust

Eastern evening
after the Sesshin

climbing over the mountains
the full moon comes
to smell the dust of Dhamma Dena

BUDDHA AND JESUS

About the last dinner of Jesus
you can read
in the Los Angeles Times
lying in the outhouses

every eating in Dhamma Dena
is
the last supper

A Buddha statue
as present at Christmas
for my daughter
she felt my heart
